

May 12, 2017

Background

The scope of work for this project is to prep and paint the existing cafeteria, east hallway and 10 classrooms in the east hallway at the Spring Hill location, 3796 Frayser Raleigh Road, Memphis. TN 38128. During the course of the project, various changes to the project may be required. These items will generally modify functional considerations, add or delete materials and systems, and clarify design intent.

Purpose

The purpose of this RFP is to solicit bids from all interested parties who can provide the services indicated above.

Scope

Bidders must provide a cost detail for each component or part of the work by item and price and a total cost for the entire project, including a lump sum price for all services to be rendered. This lump sum price shall reflect all services sought by Promise Academy and provided in this RFP. Bidders are requested to submit with their bid a narrative explanation of all major methods and materials used to meet RFP requirements. Any materials used for replacement work must be approved by Promise Academy.

Additional Proposal Requirements

The selected contractor must provide a performance must have prior experience with painting. They must also provide proof of liability and workers compensation insurance. A current Tennessee Contractors license is preferred. Contractors license requirement may be waived if approved vendor by Shelby County Schools.

Start Date June 19, 2017

Completion Date July 20, 2017
